Tasting Notes | This easy-drinking Cabernet/Merlot has shades of dark ripe fruit, tobacco and leather. Fresh and juicy on the palate with a touch of tannin. This wine is equally delicious accompanying a formal dinner as it is while sitting in the stands, cheering on the team. Serve slightly below room temperature: 15 to 18°C. Great by itself and with dishes like pasta, pork, and pizza or excellent with herbed barbecued chicken or braised beef.
