**Tasting Notes |** This blend of Sauvignon Blanc and Riesling combines the best of two noble varieties. The perfumed nose shows pineapple, mango, peach and nectarine with a slight herbal aroma. Well-ripened fleshy tropical and stone fruits add to the perception of sweetness and carry through on a palate mixed with a hint of cool herbal flavour. The lushly textured mouthfeel and crisp acidity leads to a refreshingly clean finish with great length. Enjoy by itself or match with patio fare such as chicken or salad.
