2013 LBV Port

Item 20747

\$29.99 PWS

“Sourced from the winery's quintas at Vale d'Agodinho and Trovisca, this is dry, tight and lifted. It's not the richest and deepest of the LBVs I've seen from this producer, but its focus and the length on the finish are superb. Very expressive as well, this shows brilliantly just now. It can also age and develop if you want to hold it. There will be no problem now or 15 years from now, I suspect. This shows again why traditionally styled LBVs are such great bargains, perhaps the greatest value in Port.” **92/100 - Mark Squires, eRobert Parker**
